Tantra is a growing industry, and be a part of a greater movement whereby you will be a sacred teacher, God/ess and instructor to improve one of the most important facets of a persons life, their sexuality.

You will be learning Massage methodology, Tantric Theory, history, philosophy and principles, how to distinguish blockages in Chakras and Sexual energy, as well as dynamic body movements, the rise and fall of sexual energy, ejaculation controlling techniques, injaculation and the body to body Temple Massage. This is for Couples and singles.

Because Tantra Massage is a specialised program, you will be able to book your prospective clients in for more than one session as they progress through the levels. Level 1, 2 and 3 will cost clients between \$450 and \$550. Meaning, with only 10 clients, you will be able to recuperate the cost of the Course.

Unlike traditional massage where you pay over \$3000 for the course, and charge between \$40 and \$70 for an hour, you will need over 70 clients to recuperate the cost of the course.

This Course is intensive. There will many areas of Sacred Sexuality that will be covered. You will be able to learn both the theory and the practical aspects to this massage and be able to operate as a practitioner.

The added benefit that this course is its non Sexual Nature. Due to the strict Laws governing Prostitution this Course will enable you to open your own private practice and work anywhere, including Day Spas, Clinics, Natural Therapy Centres and your own home. You will be able to teach clients Tantra, and

understand certain facets of Sacred Sexuality that will enable you to guide your clients into a sacred space of conscious loving.

JadeLotus Tantra was the first of its kind to be presented to the Scientific Community of the 18th World Congress of Sexology in 2007. Statistical Research was conducted on the Benefits of the JadeLotus Tantra Massage Program and found that there was over an 80% success rate in improving many areas of sexuality. View the final program by clicking on the following Link: http://www.sexo-sydney-2007.com/final_program.pdf . Due to this element of professionalism, most clients are referred to a JadeLotus Tantra massage Practitioner by a Doctor, counsellor, psychologist, therapist and other holistic therapies to enable clients to learn and experience certain facets of sexuality and understand their bodies, learn new methods and techniques and other personal matters to assist them in their Healing.

The Australian Association of Massage Therapists Limited (AAMT) is the peak representative body for massage therapists in Australia formed after the consolidation of five major massage Associations across Australia. We are at present working on having the JadeLotus Tantra Massage formulated into an approved modality with the frameworks of Massage Therapy. JadeLotus Tantra Massage is the first Tantra Massage in Australia to enter into this Associations Journal to educate the Massage Therapy Industry of the benefits, power and professionalism of JadeLotus Tantra Massage. To view the amazing article which was also the Front Cover of the Issue of the Australia Association of Massage Therapists Journal please click on the following.

JadeLotus Tantra Massage is also the first Tantra Massage to be endorsed by an Professional Association, IASECT. The International Association of Sexual Educators, Counselors and Therapists is a professional body which was formed to inform the international community of educating professionals and the public about human sexuality and behavior and to support the positive integration of sexuality into individuals lives

This course will enable you to receive Professional Membership with the International Association of Sexual Educators, Counselors and Therapists. (www.iasect.com)

You will also be a member of the International Institute of Tantra, which will enable you to practice this massage in other National institute of Tantra centres, mainly in England, Spain and South Africa.
